DIRETTORE ANTONINO FOGLIANI

REGIA JOCHEN SCHÖNLEBER

COREOGRAFIE: MATTEO GRAZIANO

SCENE: ROBERT SCHRAG

COSTUMI: CLAUDIA MÖBIUS

LUCI: KAI LUCZAK

*Guillaume Tell* is one of those monuments in the history of opera that is surprisingly little known to the broad operatic public, and, at least during the last century, was seldom staged. Almost immediately after its premiere at the Paris Opéra on August 3, 1829, it was realized by musicians and critics that this was a far-reaching masterpiece, and indeed, this opera's influence on composers in the nineteenth century, including Meyerbeer, Verdi and Wagner, was deep and lasting. Changes and cuts were made by Rossini up to and beyond the Paris premiere (Jemmy's aria, for instance, was cut, and Mathilde was excised from the fourth act entirely); and then there were so many versions of the score, some produced with Rossini's collaboration, that it became difficult to know exactly what the "real" *Guillaume Tell* looked and sounded like, at least until the critical edition edited by Elizabeth C. Bartlet came out in 1992, the two hundredth anniversary of Rossini's birth.

Recorded live at Festival Rossini in Wildbad, 7/2013

Notes Italian, English	Subtitles French, Italian, English, German	Running time 240 minutes
